Remember SSKIN

- S**urface
- S**kin inspection
- K**eeP moving (repositioning)
- I**ncontinence and moisture
- N**utrition and hydration

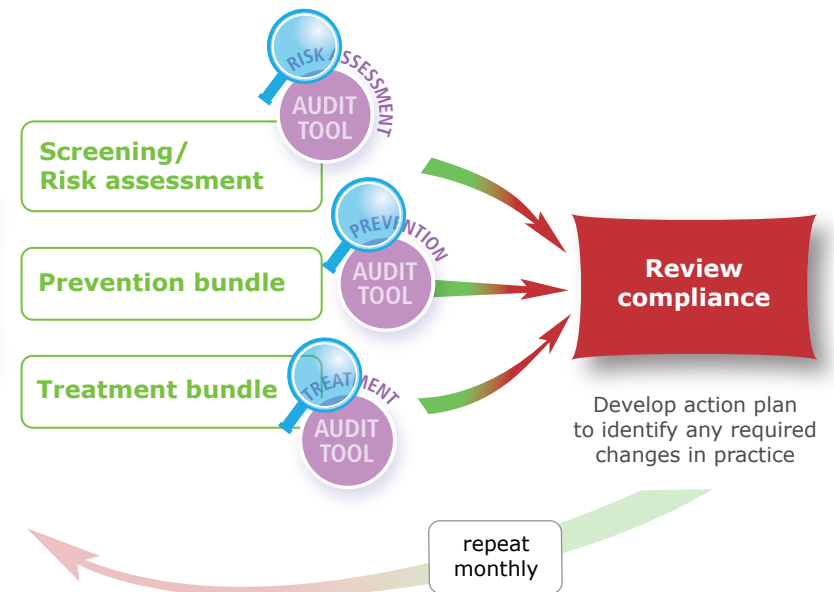

- ★ Laying on your back
- ★ When seated
- ★ Laying on your side

Audit & Review

Audit monthly

Whether within **ward setting** or **community team**, a minimum of 10 and a maximum of 20 care plans should be audited.

Develop action plan to identify any required changes in practice
